THE NAME YOU CAN TRUST

Bundoora Boat Upholstery is not only a name you can trust with your pride and joy, it is a company that has been around for more than 30 years. We are at the forefront of the marine trim industry with design, manufacture and customer service. With Keith Gillatt's experience in ski boat interiors and Ralph's designs, your boat can be transformed into the best looking boat on the water.

While keeping you and your family protected from the elements with the addition of a bimini top, you can also protect your boat with a custom cover. Adam and his crew of Steve Vatali and Cody Purchase can create a cover to best suit you and your boat for years to come created by the team at Bundoora Boat Upholstery, you can ensure your boat will stay in top condition for years to come.
